1) With the thread make a knot on the circle

2) Insert 1 SB11, 1 Samos (C1), 1 SB11 and pass under the circle

3) Pass over the circle and then pass through the SB11

4) Insert 1 Samos, 1 SB11 and exit under the circle

5) Pass over the circle and exit through the SB11.
Repeat steps 4 and 5 all the way around

6) Here is the result 😊
Exit through the second hole of the Samos

7) Insert 1 SB11 (C2) between each Samos

8) Here is the result 😊
Exit through the SB11

9) Insert 5 SB15 between each SB11.
All the way around

10) Here is the result 😊
Exit through the central SB15

11) Insert 1 RP3 through the next central SB15

12) Insert 1 Samos (C2) through the central SB15.
Repeat steps 11 and 12 throughout the lap

13) Here is the result 😊
Exit through the top hole of the Samos

14) Insert 1 SB15 between the Samos

15) Here is the result 😊
Exit through the SB15

16) Insert 5 SB15 between the SB15. All the way around

17) Here is the result 😊 Exit through the central SB15

18) Insert 1 RP3 between each central SB15

19) Make another round in the RP3, tighten well and stop the thread

20) Make a second element

21) Place the two elements with the SB11 face to face. Exit the thread from the Samos HERE

22) Exit through the SB11 (green star), pass under the circle then through the SB11. Insert 3 SB15 and exit through the SB11 (C2) HERE

23) Pass through the Samos and SB11 (C2) (green stars). Insert 3 SB15 into the SB11, pass under the two circles and the SB11. Insert 3 SB15 into the SB11 (C2) and exit through the Samos. So all around to assemble the two elements

24) Here is the result 😊 End your thread 😊

25) A montage idea for the Anny pearl© 😊
 I made acrylic flowers with head pins.
